### INVITATION

Dear intercessors from around the world!

As we can currently see, the battle for Jerusalem is becoming more and more intense. The Temple Mount is gaining central attention in this battle. The core question is clear: „Who will be finally and eternally worshiped on this Holy Hill?“ As the birth pangs for the Kingdom of God are intensifying and the preparations for the return of the Lord are progressing, the „royal priesthood“ from many nations are being called to attention.

We are being united, cleansed, equipped and commissioned for our call, not to be silent for Jerusalem's sake. And at the same time, we are being trained to intercede for our nations sake concerning their attitude towards Jerusalem, towards Zion. In the midst of the battle for Jerusalem the release of the „One New Man“, the body of Christ from Jew and Gentile is in progress. Only together do we have the biblical promises for full maturity, authority and beauty in Christ. As the re-unification of Jerusalem (according to the Gregorian calendar) will celebrate its 54th anniversary, we invite you to join us in prayer for the fulfillment of ALL of Gods promises for Jerusalem and for the One New Man!

And on this basis, we move into prayer and intercession for our nations and world regions to become sheep nations as the eschatological „valley of decision“ concerning Jerusalem is drawing closer. May the King of the Jews and the King of Kings return soon! To Jerusalem! Maranatha!
